

Instructions for the use of online forms

Finland Society community and media grants can be applied for using the online forms, the links to which can be found on the Suomi-Seura website. If you have problems with the online forms, please contact Suomi-Seura (contact details below).

You can stop filling the form and continue later. Press "Save and continue later" button at the end of each page, and you will receive a link to return to the form later. From the same section you can also subscribe to a link to your own email address.

There is a "Message to Finland Society" section on the forms where you can enter any further clarifications.

On the last page of the application forms, you can add the requested attachments.

If necessary, attachments can also be sent by e-mail.

Once you have completed the form, you can save it for yourself at the end. Once you have pressed the submit button, a summary page of the completed form will appear on the screen. You can download it in pdf format from the pdf icon on the left of the form. Finally, press "Close".

If you have any questions or problems, please contact us:
